DATE: November 21, 2014

SUBJECT: SSHSP Medicaid Cost Report Update **Deadline
Extension Opportunity**

[Medicaid Alert #14-05](#) informed SSHSP providers of the due dates associated with revisions to cost reports for the 2011-2012 and 2012-2013 reporting periods, and for completion of cost reports for the 2013-2014 school year. Those due dates are still in effect, with the exception of an extension for those SSHSP providers directly affected by the snow storms in Western New York during the past week.

The prior year's Annual Medicaid Cost Reports were reopened in the Medicaid Cost Reporting Claiming System (MCRCS) to allow providers to make adjustments as a result of changes to the cost settlement methodology required by CMS during the State Plan Amendment Approval (SPA) approval process. The original deadline to complete the updates is Friday November 21, 2014.

SSHSP providers that are unable to complete the adjustments by the November 21st deadline because of the snow storm in Western New York this week are granted an extension and will have until Friday December 5, 2014 to complete the necessary adjustments to prior year's Annual Medicaid Cost Reports. Affected school districts and counties must inform Public Consulting Group, Inc. (PCG) at 1-866-912-2974 or at NYSSHSP@pcgus.com that they are unable to complete the necessary adjustments by Friday November 21, 2014.
