Subject: School District Annual Financial Report (ST-3) Supplemental Schedule SS-9,  
Expenditures for Medicaid Eligible and Claimed

Supplemental schedule SS-9 of the Annual Financial Report (ST-3) was utilized to capture Medicaid expenditures of school districts that claimed reimbursement for services through the School Supportive Health Services Program (SSHSP).

For the 2010/11 school year, the SS-9 supplemental schedule will be removed from the Annual Financial Report (ST-3). School districts will no longer be required to complete the SS-9 supplemental schedule.
