

Dear Provider:

Consolidated Fiscal Reporting (CFR) training is currently scheduled for June 16 and June 17 at the OMRDD NYC Field Office, 75 Morton Street, NY, NY.

We fully expect that these training sessions will be held as scheduled.

However, due to the late NYS Budget, a budget extender bill is due to be voted on today. Should this bill fail to pass, it will be necessary for many State services to shut down temporarily. This will affect our ability to provide training at a State owned building.

Should the extender bill fail to pass, and a NYS Government shutdown is ordered for Tuesday, June 15, 2010, ALL CFR training sessions for Wednesday June 16, 2010 and Thursday June 17, 2010 will be cancelled. If these sessions are cancelled, we will attempt to reschedule at a later date.

Note that these sessions would be cancelled regardless of the status of the shutdown on Wednesday or Thursday. If the shutdown is ordered for Tuesday, these sessions will all be cancelled.

Once again, it is our expectation that the budget extender bill will be passed by the legislature, and the CFR training sessions will be held as scheduled. Please monitor the status of the shutdown through the media.
