RE: 2011-2012 Program Service Dates - **REVISED**

The State Education Department (SED) requires that approved providers of special education services provide program date information on the STAC – System to Track and Account for Children - program file through our website at <http://www.oms.nysed.gov/stac/>. Providers of approved programs must use their assigned STAC User ID to access their program information online and confirm or correct their program dates by **July 15, 2011**. Providers who currently do not have a User ID should submit a Request Form for Online Access. A direct link to the Form can be found on our website under Quick Links.

This mailing includes a list of your agency's approved programs for 2011-2012. For the July 2011- August 2011 extended school year, the calendar must include at least 30 days during July and August. **Observance of the Independence Day legal holiday on July 4th may constitute a day of service for July-August programs provided that day is included in your program calendar dates.**

For the September 2011-June 2012 school year, the calendar must include at least 180 days. **Program dates should reflect the first and last days of enrollment and may include a superintendent conference day as the first or last day.** School calendars for the 2-month and 10-month programs must be available for inspection by appropriate personnel of the Department and each student's school district.

Preselected dates appear on the STAC program file for the upcoming school year. The default dates for the 2-month programs are **July 4, 2011 through August 12, 2011**. The 10-month default dates are **September 7, 2011 through June 22, 2012**. **If these are not the correct program dates for your agency, you must access our online system to change your program information to reflect the correct dates. Instructions for date change procedures are indicated on the reverse side of this letter. A direct link to this letter and a separate Instruction Guide can be found on the STAC homepage.** The Guide also can be found under STAC Online System/Online Instructions.

It is not necessary to change the dates for special education itinerant service (SEIT-9135/9136) programs.

If you have any questions regarding the date change process, please contact the STAC, Special Aids and Medicaid Unit at 518/474-7116 or via e-mail at [omsstac@mail.nysed.gov](mailto:omsstac@mail.nysed.gov). Questions related to program approvals should be directed to P12: Office of Special Education/COASST at 518/473-6108.
