Subject: **10% County Chargeback - Section 4408 of Education Law
(for 2009-10 and prior years)**

Section 4408 of the Education Law requires that a student's county of residence contribute 10% of the approved cost of July/August special education services provided to children with disabilities who are five through twenty-one years of age and eligible for such services pursuant to Articles 85, 87, 88 or 89 of the Education Law.

The enclosed reports list **2009-10 verified approvals** for services on file as of **09/16/11**. The enclosed prior year reports list **prior year verified approvals** as of **02/01/11**. The chargeback lists reflect approved services actually rendered.

NOTE: For those prior years which had no adjustments since the last 4408 verified chargeback report, we have **not** included a student list.

The chargeback will be accomplished by reducing your county's Section 4410 AVI reimbursement due your county when State Funds become available. The enclosed report shows your 2009-10 chargeback along with any adjusted 4408 chargebacks going back to the 2005-06 year.

If you have questions regarding the 10% chargeback process or the students whose names appear on the enclosed chargeback report, please contact Jim DeMeo at the STAC, Special Aids & Medicaid Unit (518) 474-7116 or by fax at (518) 402-5047.

Thank you.
