Subject: Estimated Chargeback – Section 4408 of Education Law
(For 2011-2012 4408 approvals)

Section 4408 of the Education Law requires that a student's county of residence contribute 10% of the approved cost of July/August special education services provided to children with disabilities who are five through twenty-one years of age and eligible for such services pursuant to Articles 85, 87, 88, or 89 of the Education Law.

Enclosed is a report that lists the 2011-2012 approvals for services as of September 27, 2012. It should be helpful in estimating the amount of the 2011-2012 chargeback which will be reported to you on a similar "verified" chargeback list to be issued in March, 2013. The "verified" chargeback list will reflect approved services actually rendered and will include multiple years, most of which has been previously collected.

The chargeback will be accomplished by reducing your county's Section 4410 AVL reimbursement due your county. We anticipate processing the chargeback in Spring 2012 when State funds become available.

If you have questions regarding the 10% chargeback process or the students whose names appear on the enclosed chargeback report, please contact Ed Waaler at the STAC, Special Aids and Medicaid Unit (518) 474-7116 or by fax at (518) 402-5047.
