

HOMELESS PLACEMENTS and STACing

System to Track and Account for Children (STAC) and Special Aids Unit is the office within the NYS Education Department (SED) responsible for processing requests for Commissioner's approval for reimbursement. This includes reimbursement approval for students who have been designated as homeless.

The New York State Technical & Education Assistance Center for Homeless Students (NYS-TEACHS) provides technical assistance to school districts, social service providers, shelters, families, youth and others about the McKinney-Vento Homeless Assistance Act.

ELIGIBILITY ACCORDING TO MCKINNEY-VENTO

The McKinney-Vento Homeless Education Assistance Act is federal legislation that discusses the public education of children and youth experiencing homelessness. Under McKinney-Vento and state law, students are considered homeless if they lack a nighttime residence that is fixed, regular, and adequate.

Assistance determining eligibility for rights and services under the McKinney-Vento Act is provided to the school district/county/DSS through NYS-TEACHS.

The STAC 202 Form

Is the designation form school districts must use to identify students in temporary housing and to indicate the district in which the student will be attending school.

- Collects data on students who have been identified as temporarily housed. Completed STAC forms helps districts with reporting requirements to SED.
- Is the eligibility form that allows tuition reimbursement from SED for non-resident students who are homeless. NYS Education Law 3209(2)(d).
-

Forms should be completed for each student identified in temporary housing. Districts are only required to forward to the STAC Unit when eligible for reimbursement.

Eligibility Report vs. DQHOM Screen or Past vs. Present

Past: Homeless Eligibility reports were mailed by the STAC Unit to the 'designated districts of attendance' several times a year.

Present: DQHOM, this is a new screen on EFRT that takes care of all of this paper and creates a 'real-time' view of your Homeless eligibility list.

- "Inquire" on a selected school year to determine which students are eligible for Homeless reimbursement.
- This screen displays the current list of all students who are eligible for Homeless reimbursement (have an open 202) for any part of the selected year and from the prior year.
