Student referred to CSE/CPSE due to a suspected disability

Prior to the evaluation, was a written order/referral obtained from a qualified provider?

Was a disability identified?

Without documented written order/referral from a qualified provider, the evaluation is not Medicaid reimbursable.

If student is not classified with a disability, the evaluation is not Medicaid reimbursable.

If student is Medicaid eligible and all documentation for evaluations and ongoing services are included in student's record, Medicaid may be billed.
