

REIMBURSABLE COST MANUAL

July 1, 2017 – June 30, 2018

Crosswalk of Changes

Please use the following guide to reference specific content changes to the 2017-18 Reimbursable Cost Manual by section, as compared to the 2016-17 Reimbursable Cost Manual.

INTRODUCTION

- Added language from Commissioner's Regulations 200.18(c)(i)&(ii)

SECTION II – COST PRINCIPLES

- 13(A)(14) added “the criteria used to determine eligibility” for receiving a retention bonus to retention bonus requirements to clarify that retention bonuses may be awarded to individual employees (and not across the board), so long as uniform criteria for determining eligibility for the award is applied and contained within the employer-employee agreements.
- 14(B) – insert “bankruptcy” in the terms of costs that are not reimbursable as part of legal, accounting, or consulting services.
- 48(B)(3) – repeat the word administrative to further clarify the standard for allocating shared administrative space. Add sentence “Instructional space is not reimbursable for this itinerant service” consistent with existing NYSED standards and OSC audit findings.
