STAC ONLINE SYSTEM (EFRT) REAPPLICATIONS

APRIL 2022

I. Overview

This screen is used by school districts to **re-apply** for reimbursement approval for Public High Cost 10-Month Placements.

Each spring, the STAC/Medicaid Unit issues reapplications based on the current year's reimbursement approvals. If a student did not have a current year approval on the STAC Online (EFRT) System by the announced date, a reapplication for the subsequent school year would not have been generated. If a reapplication was not generated, the new approval for the upcoming school year must be manually added on DSPUB.
